Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 23 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered showers, locally heavy through Monday.

This Evening and Tonight:
During the evening rain, at times heavy and gusty clears the east of the country. Behind, skies turning clearer with scattered showers. Later in the night showers become more organised and locally heavy. Minimum temperature 1 deg C (34 deg F).

Monday:
A wet start for many with showers, locally heavy and thundery. Showers continue into the afternoon with a few sunny spells between. Turning largely clearer from the north through evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Sunny spells and scattered showers, locally heavy on Tuesday. Largely dry and bright on Wednesday but perhaps a few showers. Plenty of sunny spells on Thursday. Temperatures gradually becoming warmer.
